

As the weather gets cooler and prices are still high, Catholic Social Services is committed to spreading love and hope to individuals and families who are struggling to get by. With your continued support, we are changing lives with faith-filled compassion and uplifting those in need.

Your prayers and donations are incredibly important to our mission. You allow us to provide essential services, food, and supplies to those in need. Thank you!

This work cannot continue without you. Together, we can *provide help* and *create hope* to all our neighbors in need. God Bless you.

CSS Awarded Innovation Grant

Catholic Social Services recently received a grant from The New Americans Campaign Innovation Fund for an innovative program that will improve the way naturalization assistance is provided to immigrants. With this grant, CSS will establish a Citizenship Access Center for clients to use for their citizenship application and improve our software and digital tools. This is a very exciting initiative!

Because of your support, we are able to continuously improve our services for people in need. Your donations allow us to provide help and create hope for immigrants looking to become citizens.

OST Back to School Party

Out of School Time (OST) Programs are school-based community centers that offer creative after-school activities for school-aged children and adolescents. These programs are in neighborhoods with high poverty and significant child welfare problems. Rooted in Catholic faith and strengthened by your support and prayers, OST programs are educational, social, and recreational.

OST's Mayfair site hosted a very successful Welcome Back Family Mixer Event this school year! Families and staff, old and new, came together to see what

OST is all about and get excited for the upcoming school year! During this event, we had light refreshments, outside games, music and more. To show appreciation to our parents for all they do, we also raffled off a Target gift card for them.

Thank you for your continued support for our students and families. We would not be able to provide these safe and enriching afterschool programs without your help.

Go Phillies!

Students and staff at Casa del Carmen Preschool Academy celebrated the Phillies' success in the NLCS by wearing red this week. They are excited to watch our team in the World Series. Go Phillies!

The students are also excited for Halloween, with decorations, costumes, and Halloween-themed arts and crafts. They decorated pumpkins, colored paper bats, and made houses out of popsicle sticks.

Thank you for your support that allows us to provide these fun and enriching activities for our students. They receive a great preschool education at Casa del Carmen because of you.
