

Write your will and create a lasting legacy

WHY DO I NEED A WILL?

Everyone should have an estate plan to support their future and protect what they love. Creating a will is one of the best ways to:

- Protect the people, pets, and communities you love
- Save your family stress and complications by giving exact instructions on how to handle your estate
- Provide lasting support to the ministries you love

HOW DOES FREEWILL HELP?

FreeWill's self-help solutions for common estate planning needs help you create a legal will completely free of charge, and make it easy to create other important estate planning documents so you are prepared for your future. FreeWill can also be paired with an attorney for more complex needs.

If you choose to include an optional legacy gift to CFGP, you can easily add the necessary language in your will to memorialize your gift intentions.
