

The past few weeks have been full of snow and cold weather. These conditions often make matters worse for those in need. Your prayers and donations have been incredibly helpful, and we are very grateful!

This work cannot continue without you. Together, we can *provide help* and *create hope* to all in need. God Bless you.

Family Service Centers Provide Help Amidst Snow

"I really did think the weather would be a deterrent," admitted Lizanne Hagedorn. "It's a statement of how the need is so real for people."

In the midst of multiple snowstorms, Southwest Philadelphia Family Service Center and Bucks County Family Service Center continued to serve those in need of goods and facing hunger in the community. They handed out food, diapers, and other goods to help individuals and families make it through the frigid temperatures.

Thank you to all of the donors and volunteers who put faith-in-action at a time when so many neighbors are in need. You are a blessing to CSS and to your community.

Visitation Homes have a great holiday season

CSS's Visitation Homes received a generous amount of donations and gifts over the past holiday season. Many of these were essential goods for the women, children, and families we serve. Visitation Homes provides affordable housing and supportive services for women with children transitioning from homelessness to independent living and self-sufficiency. Our residents are overjoyed with your kindness.

We would like to extend prayerful best wishes and gratitude to all those who donated to and supported CSS' Visitation Homes this past holiday season. Thank you to everyone who helped make the holidays brighter and these joyful moments possible!

Your donations make the work of Catholic Social Services programs possible. Please give today to help transform the lives of thousands of people. Together we will continue *providing help* and *creating hope*!
