CFG welcomes new partnership with the Catholic Medical Association through their new Fund!

We’re excited to announce the establishment of our newest Program Fund for the Catholic Medical Association (CMA)! CMA is a nationally recognized, physician-led community of healthcare professionals. The CMA community encourages its members to lead by the teachings of the Catholic Church and uphold the principles of the Catholic faith in the practice of medicine. CMA is the largest association of Catholic physicians and healthcare professionals in the United States.

CMA provides a vast selection of programs and resources available to its members throughout their practice of medicine. Becoming a member is easy and the sense of community gained is invaluable. To learn more about CMA, please visit www.cathmed.org.

You can also support the mission and vision of CMA with a gift to their fund with CFG. To learn more, click the button below.
