Join CFGP and Rothman Orthopedics for our Spring Health Care Forum!

CFGP is pleased to announce that we have partnered with Rothman Orthopedics to host our very own health forum titled, "Faith-based Response to Pain Management and the Opioid Crisis." This forum will bring together practitioners and people on the front lines of the opioid addiction epidemic to share ideas and impactful stories. The event will take place on:

**Wednesday, May 1, 2019**
5:30 PM  
The Pyramid Club  
1735 Market Street, 52nd Floor  
Philadelphia, PA 19103

So how do faith-based health practitioners and executives fit into this discussion? We will provide food for thought on the role of faith-based leaders in pain management who are regularly affected by the opioid crisis. Guests will also network with our region's top health care influencers, executives and leaders as we discuss what is quickly becoming one of the largest challenges facing the health industry today.
Special guests and guest speakers of the Forum include:

This event benefits CFGP’s Health & Essential Needs Fund, which works to support the underserved in Philadelphia with life-saving health care and resources such as food and shelter. **To register for the Health Care Forum, please click below.**
